Destiny ‘Dez’ Ajiboye

FOUNDER & CHIEF EXECUTIVE OFFICER

Sound Engineer · Sound Designer · Audio Producer
Post-Production Specialist

PROFESSIONAL PROFILE

Destiny ‘Dez’ Ajiboye is a Nigerian sound engineer, sound designer, audio producer and post-production specialist. He is the Founder and Chief Executive Officer of DEZ Studios / DezTV NG, an independent creative audio and media production studio serving film, television, advertising, animation, documentary and digital projects.

Combining technical precision with a strong sense of storytelling, he works across sound design, Foley, recording, audio editing, mixing and final sound post-production. His approach centres on sound that strengthens narrative, communicates clearly and creates a lasting connection with audiences.

CORE EXPERTISE

- **SOUND DESIGN & FOLEY**
  Detailed effects, texture and performance-based sound
- **MIXING & RECORDING**
  Creative and technical audio production
- **POST-PRODUCTION**
  Audio editing, dialogue and final sound finishing
- **COMMERCIAL AUDIO**
  Jingles, advertising sound and branded media
